

The Abbreviated Injury Scale Certification Board (AISC.B) is seeking one qualified applicant to fill a Board position being vacated as of June 30, 2017. Board positions are for a four year term.

The Board seat opening is a CAISS Trauma Registrar position. AISC.B meets a minimum of twice a year with teleconferencing serving as at least one of those annual meetings.

The mission of the AISC.B as stated in their By-Laws, Article II “is to promote consistency in injury scaling by maintaining a certification process which recognizes the competence and skill of an individual Abbreviated Injury Scale (AIS) coder through assessment, testing, and continuing evaluation and experience.”

The AISC.B is in accordance with its By-Laws “comprised of professionals with expertise in AIS coding who are interested in improving the quality of injury scaling internationally.” Each board member is a Certified AIS Specialist (CAISS) who is currently actively working with AIS.

If you are currently a Certified AIS Trauma Registrar interested in filling the seat described above please submit your resume/CV along with a letter of interest to AISC.B Chairperson, Amy Brammer. Please state in your letter any participation you have had in the past with CAISS related projects and provide an email address and telephone to contact you.

You may submit items electronically to Amy.L.Brammer@kp.org. Applications will be accepted through April 30, 2017.

If you have any questions please contact:
Amy Brammer BSN RN TNS
AISC.B Chairperson
Amy.L.Brammer@kp.org or (707)624-1565

Or you can contact Kathy Cookman, BS, CSTR, CAISS
AISC.B Past-Chairperson at Kathy.Cookman@gmail.com or (239) 217-0697

We look forward to hearing from you!
