

## **International Testing**

Candidates outside of the United States must complete and submit the Request for Special Testing Center Form found on the [www.ptcny.com](http://www.ptcny.com) homepage. This form must be uploaded to your application no later than 8 weeks prior to the start of the chosen testing period. Fees for testing at an international computer test center (outside of the United States and Canada) are \$100.00 in addition to the examination fee. PTC will arrange a computer based examination at an international test center for you.

## **Testing in Canada**

There are computer test centers available in most of Canada. To check for a computer test center in your city/province, please go [www.ptcny.com/cbt/sites.htm](http://www.ptcny.com/cbt/sites.htm). If there is no computer test center in your city/province, you can request a special test center by completing the Request for Special Test Center Form found at [www.ptcny.com](http://www.ptcny.com), and then uploading the Form to your application no later than 8 weeks prior to the start of the chosen testing period. There is an additional special test center fee of \$250. PTC will arrange a paper format examination at a local college for you.
