Dear Ms Keel,

I refer to the Association for the Advancement of Automotive Medicine's (AAAM) letter received on 28 February 2020, requesting membership to the United Nations Road Safety Collaboration (UNRSC) and its presentation given at the UNRSC meeting on 30 June 2020.

On behalf of the World Health Organization, I have the pleasure of congratulating you and welcoming the AAAM as a member of the United Nations Road Safety Collaboration, effective as of 30 June 2020. Your membership has been reflected in the UNRSC webpage, see <http://www.who.int/roadsafety/about/partners/en/>.

We look forward to working with the AAAM as a member of this important collaboration. Only together will we be able to significantly improve road safety and achieve the road safety related targets of Sustainable Development Agenda (e.g. targets 3.2 and 11.2).

Yours sincerely,

Dr Etienne Krug
