Abbreviated Injury Scaling Course (AIS) Registration Form

Please complete all sections of the registration form below. Incomplete forms will not be processed.

The participant will not be registered until tuition payment of \$750 is received and space is confirmed in the requested course. **The AIS15 Update On-Demand tuition is \$380, fee includes a digital dictionary only.**

If you are paying by company check, print this form and mail check with the completed form to the address listed below. Payment is accepted in US funds only and must be included with the order. Please make check payable to AAAM. Please complete one form for each student.
