4 You will receive a success notification, telling you to check your email for the verification code.

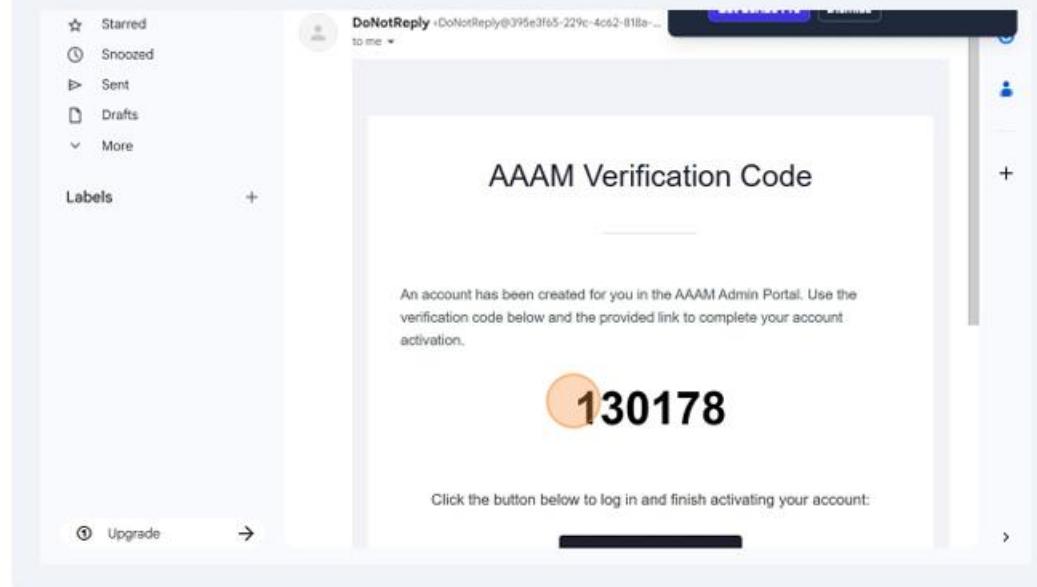

Click "OK"

5 Go to your email inbox and find the "**AAAM User Initialization**" email.

6 Copy the verification code and select the "Activate My Account" button

7 You will be taken to the "New User Login" Page

A screenshot of the 'New User Login' page. The page has a dark blue header with the title 'New User Login'. Below the header, there is a text input field labeled 'Email' containing 'xorbixtester@gmail.com'. To the right of the input field are two buttons: 'Don't remind me again.' (with a checkbox) and 'Get Scribe Pro'. Below the email input, there is a text area with instructions: 'Enter the activation code you received in your email, allowing several minutes for it to arrive. Please check your junk or spam folder if you do not see it in your inbox. If you still have not received an email, please contact the System Administrator.' Below this text area is an input field labeled 'Activation Code' with a circular orange highlight around it. Below the activation code field, there is a note: 'Password must be at least 10 characters long, with at least 1 letter and 1 number.' There are two password input fields: 'Password' and 'Confirm Password', each with a small eye icon to the right. At the bottom of the page is a large, light gray 'Verify and Login' button.

8 Paste your activation code, enter your email, and set up your password.

Enter the email used to register your account:

Email: xorblxtester@gmail.com

Enter the activation code you received in your email, allowing several minutes for it to arrive. Please check your junk or spam folder if you do not see it in your inbox. If you still have not received an email, please contact the System Administrator.

Activation Code: 130178

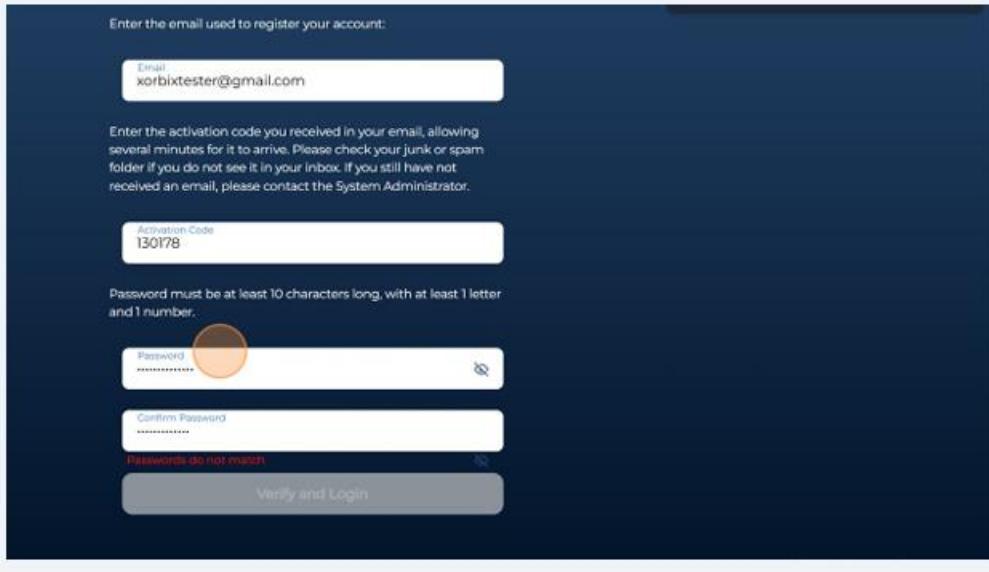

Password must be at least 10 characters long, with at least 1 letter and 1 number.
